

Dacia Duster

Shockingly affordable

Shockingly affordable

Who says a big car has to be expensive? Experience the Dacia Duster with its spacious modular interior offering maximum comfort for all the family, its generous boot to carry all your leisure equipment and its high driving position giving good visibility and peace of mind. All this for a shockingly affordable price and an economical engine range below 140 g/km CO₂ emissions (Band B). Dacia's proven efficiency and reliability is highlighted by our up to 5 years unlimited mileage warranty*.

With Dacia, think big, pay little.

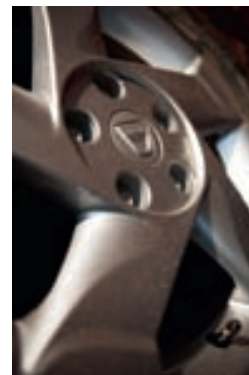

Photos are for illustrative purposes only. Front and rear elements subject to slight modifications.
* 3 year/100,000 km warranty as standard.

The style of a true off-road vehicle.

Dacia Duster is a true off-road vehicle! Its muscular design is that of real adventurer, rugged and protective. Dacia Duster is also at ease in town, with its elegant style, chromed radiator grill and double-optic front lamps. This unique appearance is further enhanced by 16" alloy wheels, chrome roof bars, front/rear skidplates and satin chrome side skirt, or by choosing from the numerous accessories available (such as wide door protectors, wheel arch protectors or styling bars). With Dacia Duster, affordability also means style and pleasure.

Photos are for illustrative purposes only. Front and rear elements subject to slight modifications.
Please note that items featured may be standard depending on version.

Copes with all terrains

Dacia Duster fears no terrain. Provided with high ground clearance and large ramp breakover angles, it has true 4x4 capabilities. Its structure allows it to naturally cope with all road and track conditions. Dacia Duster is a light, compact vehicle for its size, which gives it great agility and contributes to its off-road performance. A performance in which the new manual 6-speed gearbox also plays its part, the low 1st gear (5.79 kph at 1000 rpm) allows for driving over rough ground, starting on a slope or under load, or holding the vehicle back when going downhill. With its intuitive 4x4 control, Dacia Duster adapts to all situations making driving easy. And in complete safety!

Photos are for illustrative purposes only. Front and rear elements subject to slight modifications.

2WD Mode:

- Operation: engine torque distributed to the front wheels.
- Conditions of use: road surfaces with good grip conditions and motorways.
- Advantage: optimised fuel consumption.

Automatic Mode:

- Operation: automatic distribution of engine torque over the four wheels depending on grip conditions.
- Conditions of use: all types of road in all grip conditions and on slippery road surfaces in particular (rain, snow, ice, etc.).
- Advantage: better compromise between roadholding and traction whatever the grip conditions so providing maximum safety.

Lock Mode:

- Operation: engine torque forced on all four wheels. Engine control and braking suited to 4x4 usage.
- Conditions of use: difficult stretches and off-road tracks (rough surfaces, mud, soil, sand) at low speed (< 80 kph).
- Advantage: maximises off-road capabilities.

DUSTER

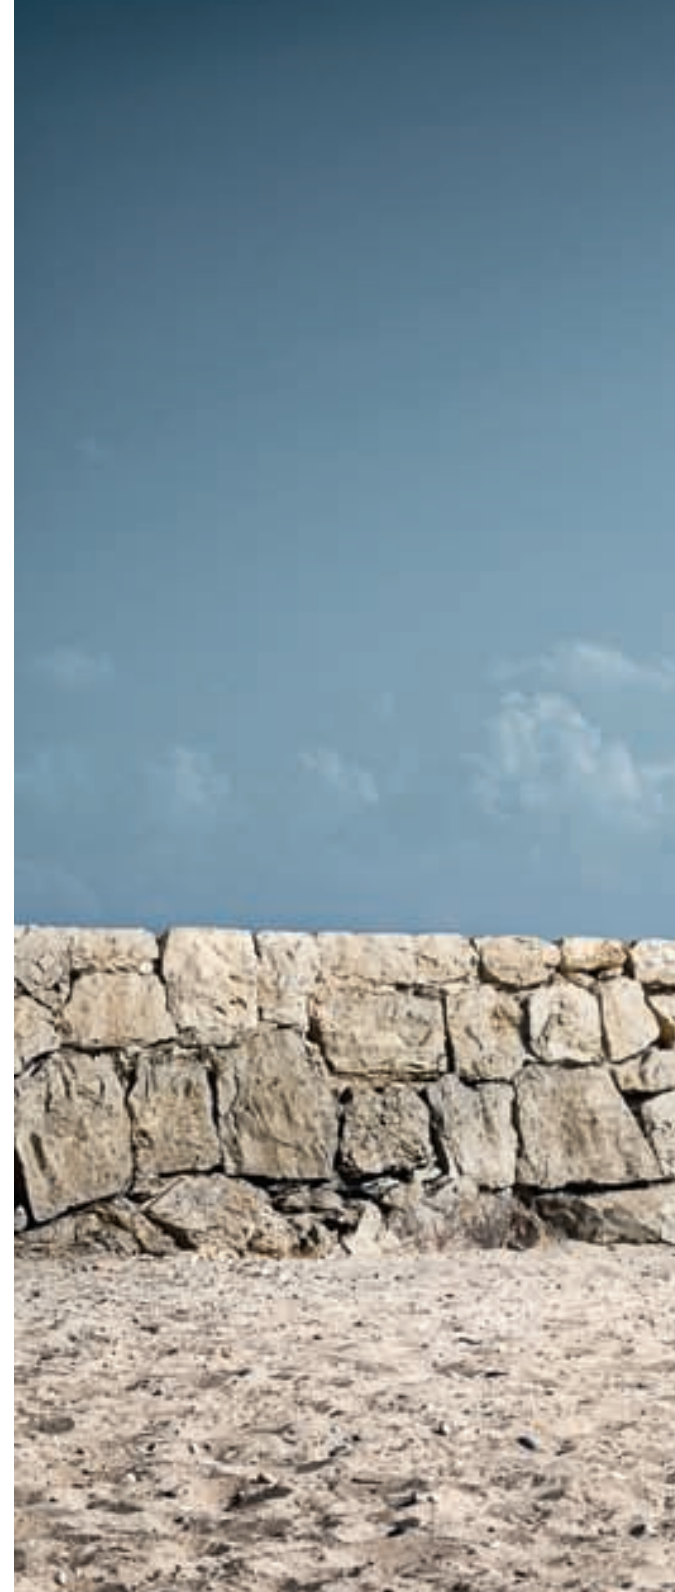

Break the rules!

Times have changed. Driving an SUV has for a long time been a privilege; with Dacia Duster, this pleasure has become affordable for all. With a shockingly affordable price, Dacia Duster also offers low running costs due to engines which are economical on fuel, environmentally friendly and have proven their reliability. The dCi engines enable you to drive further on a full tank, while emitting low levels of CO₂ (130 g/km on the 4x2 versions and 137 g/km on the 4x4 version). With all the range in Band B, and with one of the cleanest range in the segment, it allows you to make real savings.

Dacia benefits from recognised expertise with regards to safety. Dacia Duster is fitted with ABS and emergency brake assist, front driver and passenger airbags as standard as well as head and thorax side airbags. Dacia Duster's ability to face up to challenges applies to safety as well as endurance.

With Dacia Duster, there is no need for compromises.

Accessories

1. TRANSVERSE ROOF BARS ON LONGITUDINAL BARS

The transversal on longitudinal roof bars allow you to carry luggage weighing 80 kg or other leisure accessories (cycle racks, roof luggage boxes, etc.).

2. CHROME EXHAUST TUBE

Emphasizes the dynamic and sporty character of your Dacia Duster.

3. LATERAL BARS

These lateral 60 mm diameter stainless steel tubes protect and follow the line of the side skirts giving the imposing silhouette of the Dacia Duster an undeniable elegance. They are compatible with the front flaps.

4. BOOT SILL

This both protects and elegantly adorns the rear of your Dacia Duster whether in the town or in the country.

THE DACIA SERVICE PLAN.

The Dacia Service Plan covers the cost of the recommended maintenance for your Dacia Duster. The Service Plan gives you the peace of mind that the cost of servicing your Dacia is covered for up to 5 years. This ensures that you receive the benefit of our expertise and the reassurance of our specialist trained technicians using the most up to date equipment caring for your Duster. The service plan is great value for money allowing you to benefit from reduced service costs and is inflation proof.

Speak to your Dacia Dealer today to discuss which plan suits your needs.

5. TOWBAR

Designed for continuous use.

6. TEXTILE FLOOR MAT

4-piece custom mat with rich velvet finish to protect the floor from wear and moisture in style. 100% compatible with the original dimensions. In black or grey.

7. BOOT LINER

Fits your Dacia Duster's boot perfectly (versions 4x2). Impervious and resistant, it protects the boot and allows all sorts of products to be carried, dirty objects in particular. It can easily be removed to be washed by hose.

THE DACIA EXTENDED WARRANTY.

Your Dacia comes with warranty protection providing worry free motoring for 3 years. The Dacia extended warranty is designed to provide you with peace of mind protection for either 12 or 24 months after the original warranty has expired. You can be confident that you are protected from unexpected repair bills and that only genuine spare parts will be fitted to your vehicle.

Speak to your Dacia Dealer today to discuss which extended warranty suits your needs.

Dacia

We are Dacia.

We believe that affordable shouldn't have to mean compromise.

On quality, services or smiles.

So we've made an enemy of the unnecessary.

Our simple range of cleverly-designed cars uses only useful technology.

Which means you only pay for what you need.

Our prices are clear and transparent.

Because the Dacia way is your way.

Simple. Intelligent.

It's what made us the fastest growing car brand in Europe since 2004.
